

**LIFELINE OCTOBER 2025**

## Pastor's Prattle

October is an important month in Lutheran circles. And, NO! It's not because our roots are in Germany, and it's time for Oktoberfest. Although, the celebrations are fun and festive! There is a much more serious reason for us to celebrate.

In October, we find ourselves preparing to celebrate the Reformation. In Luther's day, there was a need to reform the church. Many of its teachings and practices had strayed from the truths of the Scriptures, and the church needed to be brought back. Luther, at the cost of his own safety, said and did what was necessary to stand up for the truth.

Even more than reforming the church, Luther's work represented a revival of faith all across Europe and from there to other parts of the world. People once again knew the true freedom that comes from the gospel of Jesus Christ and salvation that was not dependent on their own righteousness. That freedom brought joy to people that had been oppressed by the church's emphasis on guilt and fear.

Today's church, in many corners, is in need of reformation. There are many denominations that are minimizing the authority of Scripture and offering interpretations that have been influenced by our culture, where sin is gaining more of a foothold. As that happens, the impact of the Church on the world is lessened; it becomes just another social organization.

What is missed in all of this is that the world is in need of revival, spiritual renewal. There is a crying need for something substantial in life, something that is lasting, eternal. There are many who are searching for the truth, but are being fed lies. We, as Christians, know that can only be found in Jesus Christ. He is the One who has bridged the gap between us and God, who has made us a part of the family of God.

It is up to the people of God to bring that revival. It is up to us to be bold and courageous as we proclaim the good news of Jesus Christ and his love to the world. We must let nothing stand in the way—no opposition, no criticism, no rationalizing away the truth, no threats. We must speak the truth in every situation.

I believe we have seen the beginning of a revival in the events of the last two weeks. With the martyrdom of Charlie Kirk, we have witnessed an outpouring of the Holy Spirit similar to the first Pentecost. We have seen a public witness of Jesus Christ that is drawing millions of people, some who have never felt the pull before. Story after story are emerging of people coming back to faith or wanting to check it out.

Let us pray that this is a lasting revival, a fire that can't be put out. And may we all draw courage from it, the courage to speak out about our faith and to stand up for the truth.

## REFORMATION SUNDAY OCTOBER 26th

Luther taught that salvation is not earned by good deeds but received only as a free gift of God's grace through faith in Jesus Christ as Redeemer from sin. His theology challenged the authority of the Pope of the Roman Catholic Church by teaching that the Bible is the only source of divinely revealed knowledge. Those who identify with Luther's teachings are called Lutherans.

"Faith is a living and unshakable confidence, a belief in the grace of God so assured that a man would die a thousand deaths for its sake."  
—Martin Luther

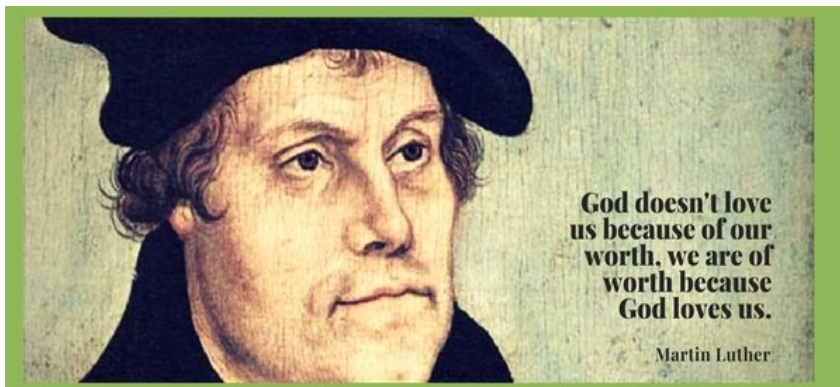

At Lord of Life Church, we traditionally wear red on this Sunday.

## *Au revoir, Barry!*

We are sad to be saying “au revoir” to our wonderful organist, Barry Oliver, who is leaving us to move to Paris, France! We want to wish him extremely well, and God’s blessings on traveling to this exciting new journey ahead. Barry’s last day with us will be on Reformation Sunday, October 26th.

### **What's Different?**

All the German books are gone!

A lovely new family has recently moved to our area and joined the Germania group. They have a nice space in their house that they wanted to turn into a library. It is their hope to have German books and resources for teachers to use, and for anyone who wants to read and learn. They also hope it will be an opportunity for people to come to their home, meet and get to know each other, making a stronger community. We wish them great success! If you, or

anyone you know, would like to access any of the German reading/learning materials contact the Germania/Memphis German group.
